- Wetland Pay Trail
- Wetland Nature Reserve boundary
- Woodland
- Water body
- Reed bed
- Grassland

Trees are now in leaf all over the Nature Reserve. Oak, ash, elder, hawthorn, willow, alder are just a few of the rich mix of trees planted here

Listen out for the familiar sound of the Cuckoo

Canada geese  
Corvids (Crows, rooks and jackdaws)

The Wetlands Trail is an easy to follow level walk of around 2km. It is an interesting mix of woodland, grassland, reed beds and water bodies with plenty to see and hear as you walk round. The small charge for entering the Wetlands Nature Reserve contributes to the management of this area for nature conservation. Strictly no dogs or bicycles.
